

## ACCOMMODATION

Andaz Palm Springs will provide guests with a sophisticated urban resort experience. Slated to open in early 2017, the downtown Palm Springs hotel will bring to life the brand's mission of creating inspiring, indigenous experiences and immersing guests into the destination's local culture.

The 150-guestroom, 13-suite Andaz will stay true to its desert oasis destination. The luxury lifestyle hotel will be built as a collection of small buildings and guestroom bungalows surrounding two outdoor pools and garden areas on an elevated patio terrace, offering panoramic views of the majestic San Jacinto Mountains and city.
